

Avid Xpress DV

THE NEW AVID XPRESS DV IS THE PORTABLE, AFFORDABLE, PROFESSIONAL DIGITAL VIDEO STUDIO.

Avid Xpress® DV provides over 100 customizable real-time effects, automatic expert color correction and legendary Avid media management for both the Windows and Macintosh systems. Avid Xpress DV software is designed for DV-only editors needing professional-strength editing tools and is the perfect, low-cost way to enter the Avid family of professional editing products.

The advanced toolsets and creative controls in the new Avid Xpress DV are based upon the powerful Avid editing solutions that are used by countless professionals to make, manage, and move most of the media seen on television, at the movies, and on the Web.

Avid Xpress DV

Avid Real-time Architecture

- Over 100 customizable real-time software effects and multiple simultaneous real-time streams to create and view richly layered effects without rendering
- Real-time performance on a wide range of desktops and notebooks
- ExpertRender™ optimizes real-time performance

Automatic Expert Color Correction

- New OneStep AutoCorrect can fix an entire sequence with one click using advanced color correction tools from Avid Symphony™
- NaturalMatch™ expert can match skin tones and other elements across scenes with one click
- Three-up color correction windows with customizable advanced vectorscope, waveform, histograms and parade monitors
- Before and after split screens

Customizable, Professional Tools

- Industry-standard Avid user interface that's easy to navigate and learn
- Best of class audio tools including real-time audio mix, punch-in, EQ, automation gain, stereo VU meters, and DigiDesign® AudioSuite™
- Customizable menu, toolbars and keyboard
- Easy manipulation of imported graphics, including Adobe Photoshop layers

DID YOU KNOW?

- o Avid won the 1998 Scientific and Technical Oscar® for the concept, design, and engineering of the Avid Film Composer® system for motion picture editing. Avid Xpress DV software is built on this same award-winning technology and benefits from years of customer-inspired improvements.
